

GC-2008 SOAPBOX

AE1T	I enjoyed working the contest. See you again next year.
DJ3GE	Very nice contest. My first entry. I hope the log is correct because I had to modify my UCX-log version. Gagarin is well known to me because I have published about Russian Gagarin medallions in a German numismatic magazine. 73 and thanks.
DJ6TK	Hi,good test
DK6XZ	TRX: YAESU FT-1000 MP (100 W) + KENT PADDLE + HEIL HC-4 HEADSET ANT: VERTICAL WINDOM (6,8+15 m), DXSR VFD-4 (9-BANDER) FED @18 m PC: TOSHIBA SATELLITE PIII 1GHZ - UCXLOG 6.20 Hello Everybody! The memory to the great man should go on existing! Pleas
DM50KWF	Sorry, I start to late is this nice contest with a lot of good cw operators.
DM9CCOL	DM9CCOL is spezial call in year 2008 is; 900 year Oldenburg city nr.Bremen
EA8BEX	Transceiver FT2000 - 100w, dipoles inverted V, Interface MicroHam.
EA8MQ	Interesting contest but I noticed little participation perhaps due to poor spread codiales reetings to all and to next contest, 73
ES4MM	Первый раз принял участие в Gagarin CONTEST. Очень понравилось, хотя и времени, и прохода особо не было. Работал на один трансивер и вертикальную антенну. Спасибо всем участникам за QSO, всем 73 de ES4MM
EU1AI	Практически полное отсутствие прохождения из северного полушария. За весь тест удалось с большим трудом провести только три связи. Такого явления давненько не приходилось наблюдать.
F5VHE/QRP	Single-OP, Single-Band 40m, CW QTH: La Bouzigue (30), JN24DF Rig: YAESU FT817, 5W_output Ant: Slooping Vertical Antenna
G/F8CHK	Fun contest. Will be there next year!
G0RDO	Enjoyed this Test and using SD Logger was a joy.
G3VQO	Just a few QSOs during the day
HA2MN	Propagation was poor so many stations could not be heard here. However it was a pleasure to take part in this memorial event. Many thanks for Qs, see you next year! Rig TS-530SP 100 W into a end-fed 21 mtrs long wire above flat roof.
IZ3DBA	good contest! All the best! 73!
K3TW	"Activity in the contest was excellent. Many thanks for the QSOs."
KO7X	POOR CONDX FROM WESTERN U.S.
LY2OU	TU for nice Contest.
M0AAA	Not much spair time this year. See you next time.
MU0FAL	poor condx but nice fun
OK1BA	Bad condx but nice contest tnx
OK1DOR	RIG: IC-756 PROIII, ANTENNA: DELTA LOOP It was a very nice contest. I am looking forward to next GC 2009 !
OK2SWD	GOOD CONTEST. SEE YOU AGAIN FRIENDS.
OK5MM	ORION II, ANTENNA - INVV, 40M YAGI, 20M OWA YAGI THANK YOU FOR VERY NICE CONTEST. GREETINGS TO ALL RUSSIAN HAMS!
PA0FEI	A pleasure to participate. Thanks for UFB Contest and cuagn in 2009.
PA0WKI	Good signals from Asia on 14 Mhz. No signals heart on 21 Mhz en 28 Mhz bands Used SD Logprogram.
RA0AY	Трансивер ic756pro3,диполь на 40м,inv.v на 20/80м TR-LOG
