OL10AMPER	Rig "K3" 100 W out, ant 3 el beam. Nice contest, on 20 m no very good condx and one of russian stations, RK3SWS make a big QRM - have signals with "chirpy" tone more as +- 20 kHz each two kHz from basic frequency and not any react on attention. The claime score is not correct, count only ITU zones as multipl. and not the specially stations !!
ON5WL	Nice contest with good activity. I had not much time to work in the contest but I enjoyed it. Till next year. 73 Leon ON5WL
